certificate, the information in this subpart must be filed with the Board. A copy of the certificate of designated operator shall be served on the Association of American Railroads.

§1150.12 Information about the designated operator.

(a) The name and address of the D-OP.

(b) If a new corporation or other new business entity, a copy of the certificate of incorporation or, if unincorporated, the facts and official organizational documents relating to the business entity.

(c) The names and addresses of all officers and directors, with a statement from each which indicates present affiliation, if any, with a railroad.

(d) Sufficient information to establish its financial responsibility for the proposed undertaking, unless the D-OP is a common carrier by railroad. The nature and extent of all liability insurance coverage, including insurance binder or policy number, and name of insurer.

§1150.13 Relevant dates.

The exact dates of the period of operation which have been agreed upon by the D-OP, the offeror of the rail service continuation payment, and the owner of the line to be operated, in their lease and operating agreements.

§1150.14 Proposed service.

(a) A copy of all agreements between the D-OP, the offeror of the rail service continuation payment, and the owner of the line to be operated.

(b) Any additional information which is necessary to provide the Board with a description of:

(1) The line over which service is to be provided (e.g., U.S.R.A. Line); and

(2) All interline connections, including the names of the connecting railroads.

§1150.15 Information about offeror.

that it has authority to perform the service or enter into the agreement for subsidy.

§1150.16 Procedures.

Upon receipt of this information, the matter will be docketed by the prefix initials “D-OP.” Operators may begin operating immediately upon the filing of the necessary information (plus three copies). Although the designated operator will not be required to seek and obtain authority from the Board either to commence or to terminate operations, the designated operator is a common carrier by railroad subject to all other applicable provisions of 49 U.S.C. Subtitle IV. However, we have exempted designated operators from some aspects of regulation. *See Exemption of Certain Designated Operators from Section 11343*, 361 ICC 379 (1979), as modified by *McGinness v. I.C.C.*, 662 F.2d 853 (D.C. Cir. 1981).

Subpart C—Modified Certificate of Public Convenience and Necessity

§1150.21 Scope of rules.

These special rules apply to operations over abandoned rail lines, which have been acquired (through purchase or lease) by a State. The rail line must have fully abandoned, or approved for abandonment by the Board or a bankruptcy court. As used in these rules, the term “State” includes States, political subdivisions of States, and all instrumentalities through which the State can act. An operator has the option of applying for a modified certificate of public convenience and necessity under this subpart or a common carrier certificate under Subpart A of this part. A copy of the modified certificate shall be served on the Association of American Railroads.

§1150.22 Exemptions and common carrier status.

The acquisition by a State of a fully abandoned line is not subject to the jurisdiction of the Surface Transportation Board. The acquisition by a
